## REGISTRATION POLICIES

Registration forms will be processed on a first-come-first-serve basis. All registrations will be done via e-mail or in person. No registrations will be taken over the phone. It is our goal to provide you and your child with the very best swim instruction possible. We will do our best to accommodate your preferences for the day/time. Class times and instructors are subject to availability. Confirmations will be given at the time of registration in person or over email. However, if there is a change in your class schedule or instructor due to scheduling conflicts, we will inform you by phone as soon as possible. Due to the popularity of our program, group lesson instructors are scheduled on a rotating basis. We cannot guarantee a specific instructor for a specific class.

## SUBSTITUTE TEACHERS

Circumstances may arise that require a substitute swim instructor. All of The Claremont Club's swim instructors are WSI Certified, professional, well-trained, and qualified.

## SWIM DIAPER POLICY

All children not toilet trained are required to wear a swim diaper, a reusable swim diaper, and a swimsuit. Please talk to your children about the importance of taking frequent restroom breaks. If you feel your child may have an "accident" we strongly advise you to follow the swim diaper requirement.

## POOL CLOSURES

A make-up lesson or credit will be offered for any lessons missed due to a pool closure. If we have a pool closure we will contact you by phone with the best contact number you provided.
