New to Pilates? Start Here!

Discover Pilates – Orientation

(Complimentary Session)

Experience the benefits of Pilates in a welcoming, supportive environment with this complimentary session. Guided by an expert instructor, you'll be introduced to our studio and equipment while learning the core Pilates principles that make this method so effective. This session is recommended for anyone interested in studio Pilates, helping you feel confident as you begin your journey.

Reformer 101 – Structured & Progressive 6-Week Series

This small group series is designed for those new to Reformer Pilates who are ready to learn in a structured and supportive setting. Each week builds on the last, helping you gain confidence, improve strength, and develop a deeper understanding of Pilates movement and technique. By the end of the series, you'll feel prepared to transition into ongoing small group classes.

How to Book

- **Small Group Classes** – Are now able to be booked through The Claremont Club App.
- **Privates, Duets, and Reformer 101** – Book directly with a trainer.
- **Discover Pilates – Orientation** – Book using the QR code.

Class Levels

BEGINNER

Perfect for those new to Pilates, this class introduces the fundamental exercises and core principles in a supportive and structured environment. You'll learn proper breathing, alignment, and control while building strength, flexibility, and body awareness. This level focuses on developing confidence and establishing a solid foundation for progression to the Essential level.

ESSENTIAL

Practice and refine the fundamental exercises and core Pilates principles in a supportive group setting. This class will help you build strength, improve movement quality, and develop body awareness as you progress. Each session reinforces proper technique and control, ensuring a strong foundation for continued progression.

INTERMEDIATE

Designed for those with Pilates experience and an established foundation in the fundamentals, this class introduces more challenging exercises that build strength, flexibility, endurance, balance and coordination. You'll continue refining technique while progressing to more dynamic movements on the Reformer and other Pilates apparatus in a structured group setting.

INT. TO ADVANCED

For those ready to progress beyond Intermediate, this class introduces more complex exercises and faster-paced sequencing on the Reformer and other Pilates apparatus. You'll refine control, strength, balance, and endurance while taking on greater movement challenges. This level pushes both the body and mind, requiring a strong foundation in Pilates technique, coordination, and alignment.

PILATES IS FOR EVERYBODY!
